On Thursday, May 16<sup>th</sup>, from 7 to 10 p.m., a.antonopoulou.art gallery presents the new solo exhibition by **Miltos Michailidis**.

Miltos Michailidis seems to ponder about the fine line separating reality from the digital world. Inspired by the story of Oz, he is confronted with the discrepancy between what exists and what we actually see. He is concerned with the fact that there is always an intervening lens, most frequently that of a cell phone, which forms – distorts the sense we make of a landscape or even a political incident.

**Opening hours: Wednesday, Thursday, Friday 14:00 – 20:00 & Saturday 12:00 – 16:00**
